2019 Opening Day May 25th at South Hills Swim Club

The 2019 summer season will officially begin on May 25. We have another great summer of fun planned.

We are pleased to welcome back **Kristi Walter** as our Pool Manager. Kristi, an elementary school teacher, has experience in pool management and is currently a coach for HYCAT. We also have hired an outstanding staff with many returning experienced guards to ensure our members' safety.

Efforts continue to make our pool more enjoyable for all. This year we are adding 50 new lounge chairs to the deck,

and will be incorporating a limited number of 10x10 canopies in an effort to add more shade from the summer sun. Additional metal picnic tables are being purchased to replace wooden tables. Maintenance continues to be an important part of keeping the pool functioning.

This year repairs have been made to replace fractured supply pipes to the baby pool and our diving board support structures are being strengthened. The board and staff continue to work to keep the pool safe and comfortable for the members.

Enclosed with this newsletter is your annual membership dues invoice. We are pleased to advise that annual membership fees remain at the same level this year, **\$450.00**. Your invoice also includes any outstanding fees.

As a reminder, your annual dues and all membership fees must be paid by opening day. Members with outstanding balances will not be allowed to have new guests until the unpaid balance is paid.

Please mail checks to:
South Hills Swim Club
P.O. Box 75085
Charleston, WV 25375

You may also make payment on line at SouthHillsSwimClub@gmail.com. Payments on line will have an added convenience fee.

We currently have several membership openings. Please encourage your friends and neighbors who are not already members, to join the pool. New members will no longer purchase stock in the pool, but will pay a one-time membership fee (non-refundable), as well as annual dues. The new member application and membership information is posted on our website at southhillsswimclub.com.

Important Reminder: If you are no longer interested in being a member of the pool, **you must submit in writing (or by email) your request to resign.**

Resignations should be sent to the pool's P.O. box or email southhillsswimclub@gmail.com or contact the Pool Secretary. Failure to submit your resignation may result in a reduction or loss of any refund.

Calling All Sharks!

We are looking forward to another successful swim team season. We are excited to announce our **Logan Blankenship** will return as the Sharks Coach, along with **Ethan Malinoski** and **Madison Nichols**, and **Lori Choueiri** and **Susan Malinoski** as adult support.

Mark your calendars: Our swim meets will be **June 26**, **July 3** and **July 10** with **City Meet July 17-20**. Watch our web site and swim team Facebook page (south hills swim team) for sign-up information and practice times.

Attention Younger Swimmers: Join the Minnows

Melissa McGlothen will again be working with the Minnows. If you have a child that is 4 years of age or older who can swim a little bit independently (or is comfortable in the water), but needs more instruction with the basic swimming strokes, the Minnows is a great place to further their basic swimming skills. If you are interested in joining the Minnows, sign-up information will be available at the pool office after Opening Day. To help maintain proper instructor-swimmer ratio, we will be limiting the number of Minnow Team members to 25. Please feel free to contact Coach Melissa with any questions at mmcglothen@mail.kana.k12.wv.us

Summer Fun – Save the Date

We are planning lots of great activities throughout the summer, so mark your calendars! Come meet your friends and neighbors at the pool. In addition to the activities listed below, we will have regular “pop up games” such as hula-hoop or Limbo contests, dunk tank, inflatable games and other fun challenges at the pool. Watch your email, check the website or Facebook, and look for information at the pool for more details on these and other pool events.
